(2) Special fees shall be agreed for services or deliveries not listed in this schedule of fees.

§ 3 Debtors, origin and due date of fees

(1) The following persons are jointly and severally liable for payment of the fees: Shipper and consignee, as well as owner of the goods, user and applicant.

(2) The claim to the fee comes about with the use, delivery or service.

(3) The fees are due when they are incurred.

- (4) The fees are collected by the port authority for WFG Infrastruktur GmbH as the owner of the port.
- (5) The currency used is the euro. The fees referred to in § 2 shall be charged individually.

§ 4 Principles of assessment

- (1) The bases of assessment are calculated in section II.
- (2) Partial units of measurement shall be charged in full, unless otherwise specified.
- (3) The fee rates are net rates. In the case of services subject to VAT, VAT shall be added in accordance with the statutory provisions.
- (4) If the vessel papers and loading documents are not provided, the information required for calculation of the fees shall be estimated at the expense of the person or company that is liable for the fee.

§ 5 Deferment and remission

- (1) The fees may be deferred if their collection is associated with considerable hardship for the person or company liable for the fees and the claim is not jeopardised by the deferral.
- (2) The fees may be waived in whole or in part if their collection would be unreasonable in the individual circumstances.
- (3) Otherwise, the provisions shall apply in accordance with the instruction on the deferral, dismissal and waiver of claims from the District of Rendsburg-Eckernförde dated 6 July 1998.
